## DOMENICA SEA VIEW

*Living near the sea*

Within an area of more than 90,000 sq. meters, more than 60 traditional and modern designed villas are constructed in a brand new neighborhood, planned, designed and landscaped.

Set in the unique lush rural area of Chlor- aka, 6 minutes walking distance from the beach, and only a short walking distance to local amenities and facilities. Making it the ideal location for a permanent home or holiday accommodation.

With the new Pafos marina just 1km away, the capital growth of these villas is guaranteed. Elegantly designed and spacious two and three storey villas with roof gardens in generously sized plots and well-designed projects. The ideal investment location.
